Re  
Notification of a planned new rail passenger service

As provided for Article 15 of Implementing Regulation (EU) 2018/1795 of 20 November 2018 laying down the procedure and criteria for the application of the economic equilibrium test pursuant to Article 11 of Directive 2012/34/EU of the European Parliament and of the Council, Implementing Regulation (EU) No 869/2014 of 11 August 2014 is repealed with effect from 12 December 2020. It shall apply to applicants' notifications received after 1 January 2019, Implementing Regulation 869/2014 applies only where these are submitted sufficiently in advance for the new rail passenger services to be able to start before 12 December 2020.

In accordance with Article 17(1) of Implementing Regulation 869/2014, we inform you that on 21.05.2020 the Transport Authority received notification of a planned new rail passenger service of RegioJet, a.s., Obchodná 48, 811 06 Bratislava (hereinafter referred to as "the applicant").

The applicant intends to operate a new rail passenger service on the line:

Austria/Wien/Poland/Warszawa/Przemyśl and back,  
planned starting date of the operation of the new service 10.12.2020.

The Transport Authority published the notification on 22.05.2020 on its website:  
<http://drahy.nsat.sk/regulacia-na-zeleznicnych-drahach/osobna-doprava-regulacia-cestovneho/medzinarodna-osobna-doprava/>.

You are asked to verify that the information contained in the notice published on the Transport Authority website complies with the information provided by the applicant to your regulatory body. In case of non-compliance, we ask for information.

Yours sincerely,

Ing. Matúš Dubovský  
director  
regulation section
